

JULY 28, 2022

FNSB & Green Star of Interior Alaska (GSIA) announce a Temporary Option for Recycling of *ELECTRONICS* starting August 2nd, 2022

[Here are the details...](#)

Where? GSIA warehouse, located at 2134 Texaco Avenue (off Van Horn Road, Fairbanks)

What? GSIA will temporarily accept certain types of electronic recyclables, beginning August 2nd, 2022 through the end of September, 2022.

When? Tuesday through Friday, 12 PM to 5:30 PM and on Saturday 9 AM to 5 PM.

What types of electronic recyclables are accepted? *

- TV's, monitors, DVD & VCR players
- Smartphones & tablets, computers, laptops, servers & computer accessories
- Printers, scanners, copiers & ink/toner cartridges
- Stereos & microwaves
- Household batteries & small household appliances

What items are NOT accepted? *

- Light bulbs, smoke detectors & home thermostat devices that contain mercury
- Vehicle batteries & gas motors
- Vacuum cleaners
- Air conditioning refrigerants & exit signs
- CD/DVD/VHS tapes & floppy discs

Who can drop off recyclables & what is the cost?

Residential recyclables: *Accepted FREE of charge.*

Commercial: Loads that are transported in a passenger vehicle, pickup truck or trailer with two wheels and a single axle: *Accepted FREE of charge.*

Other commercial loads are accepted at \$0.50/lb or \$1000/ton (2,000 pounds)

Larger commercial loads will require a Memorandum of Agreement prior to delivery.

Contact FNSB's Solid Waste Division at (907) 459-1482 for details on the required MOA.

***Note: this is not a complete list of items that are acceptable and not acceptable.**
